A problem with my order

POPULAR QUESTIONS

When does the farmer get paid?

Only after you tap Confirm delivery. Until then Farmkeke holds your money. If something is wrong, report it and the money stays held while we sort it out.

Can I cancel an order?

How long does delivery take?

What if my produce arrives damaged?

Do I need an account to buy?

Fresh from the farm, safely paid

Here's what happens from the moment you order.

Step 1
Choose your produce
Shop from verified farms near you. One cart can hold several farms.

Step 2
Pay once, held safely
Farmkeke holds your payment. The farmer can see it is paid but can't touch it yet.

Step 3
The farm prepares it
Each farm accepts within 24 hours, then packs your order fresh.

Step 4
A rider brings it, or you collect
A Farmkeke rider delivers to your door or to the pickup point you chose.

Step 5
Confirm, and the farmer is paid
Check everything arrived, then tap Confirm delivery. If not, report a problem and your money stays held.
