Your money is held safely until you confirm delivery. How?

Pay ₦17,200

How your money stays safe

Farmkeke sits in the middle, so nobody is paid until you're happy.

Step 1

You pay Farmkeke

We hold your ₦17,200. The farms can see it's paid, but can't touch it.

Step 2

Your order arrives

Each farm packs its order and a rider brings it to you.

Step 3

You confirm, the farmer is paid

Check everything, then tap Confirm delivery. If something's wrong, report it and the money stays held.
